## JON & TAMARA LIEBERMAN

Jon is a Jewish believer in Jesus with a business background in real estate for 25 years.

He has a B.S. in Business Administration

from Indiana University (1970) and later received a M.A. in Theological Studies from Wheaton Graduate School (1981).

Jon became a believer in 1971 after a dramatic encounter with the risen Jewish Messiah, Jesus, concluding a two year search for truth. He had investigated many of the new age beliefs of the hippie movement in the late 60s.

For the last 39 years Jon has been passionately involved in personal evangelism to Jewish and Gentile seekers. He conducts many "Messiah in the Passover" Seders for churches and speaks to various groups about the transforming power of the gospel that has changed many Jewish people he knows.

He also leads a weekly fellowship group of intermarried Jewish-Gentile couples that meet each week in his home. They study the Bible and explore the diversity of their backgrounds and their unity in the Messiah.

Jon and Tamara live in Carmel, a suburb of Indianapolis. Tamara also grew up in Indiana and has a nursing background with a nurse practitioner degree and a Masters from Indiana Wesleyan University. They have five children and two grandchildren.

Jon is a Ministry Representative for Chosen People Ministries and will be involved in strategic Jewish Evangelism outreaches and also sharing the vision of practical ways Christians can help reach Jewish people for Messiah.

## EVANGELISM

Chosen People Ministries seeks to evangelize Jewish people through the most effective and creative means possible.

Our skilled and well-trained staff share the Gospel with Jewish people in their homes and on the streets and campuses. We conduct Bible studies and evangelistic outreaches, yet the core of our ministry is one-on-one, heart to heart, home to home.

We have established branches of Chosen People Ministries in Argentina, Australia, Canada, France, Germany, Hong Kong, Israel, Mexico, New Zealand, Russia, Ukraine, the United Kingdom, and the United States—and we are growing all the time.

## DISCIPLESHIP

Chosen People Ministries staff members spend time with individuals, helping them grow in their faith through personal and small group Bible studies. Chosen People Ministries also establishes new congregations of Jewish and Gentile believers. We have planted more than a dozen Messianic congregations and through this ministry hundreds have been equipped to serve the Lord as a witness to the Jewish people.

TO BRING THE GOSPEL TO JEWISH

PEOPLE AROUND THE WORLD

# Our Beginnings

Chosen People Ministries has been sharing the love of Messiah with the Jewish people since 1894. Rabbi Leopold Cohn, our founder, became a believer in Jesus and began a mission outreach to his people in Brooklyn, New York. Since then, Chosen People Ministries has grown into a worldwide ministry reaching Jewish people with the Gospel.
